WORK EXPERIENCE

2019- 2023

DecaByte IT Solution I Focus Plaza, Faisalabad, PAK

WordPress Design and Customization Expert

As a WordPress Design and Customization Expert with Decabyte IT Solutions, I specialize in tailoring websites to unique needs, ensuring responsive designs, and seamlessly integrating robust features. Through effective teamwork, I consistently deliver premium WordPress solutions that enable businesses to establish and enhance their online footprint.

2022-2023

GoldTouch Dealer Solution I West Virginia

WordPress Engineer

As a WordPress Front-End Customization Engineer at GoldTouch, my role involves refining visually appealing and user-friendly website. I specialize in honing the front-end design, ensuring seamless user experiences, and implementing custom features that elevate online platforms to new heights. I have successfully uploaded and managed over 2500 products with variations, demonstrating my proficiency in handling extensive product catalogs.

2024

iGrafx, LLC

WordPress Design and Customization Expert

I worked as a WordPress Developer at iGrafx, where I developed and maintained the company website. My responsibilities included implementing custom WordPress themes and plugins to enhance site functionality, ensuring website performance, security, and responsiveness across different devices, and collaborating with design and content teams to ensure cohesive branding and user experience.

2022- Present

Freelancer

Web Developer I CMS Expert I WordPress

I am a skilled and accomplished WordPress Customization Specialist. I excel in crafting, designing, and constructing exceptionally sophisticated and feature-rich websites. I seamlessly integrate the latest quality standards, align with existing business strategies, and employ innovative approaches.
